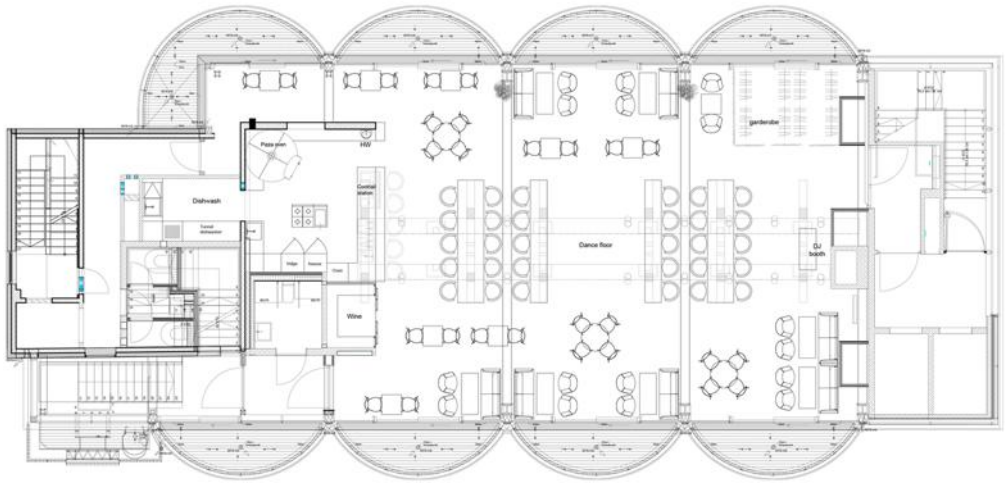
DACHSTUUV

The Dachstuuv is doubly special: it's our highest event space and home to the steel beams that hold up the iconic Kellogg's sign on the roof. That's why we have a fixed seating plan up here. It accommodates up to 90 guests, with plenty of room left for dancing the night away.

Whether you're planning a buffet, a set menu, or pizza straight from our built-in pizza oven, the catering options are wide open. And of course, our top-notch sound system is ready to get the party started.



BOVEN 7

Boven 7 is our largest event space, offering plenty of room for your guests. Included in the space: stunning views, windows with roll-down blinds, a built-in sound system, a bar, and one or more large screens.
